No. 2

THE DISASTER RISK MANAGEMENT ACT

THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) ORDER, 2022

WHEREAS the Minister responsible for disaster preparedness and emergency management has given written notice to the Prime Minister that Jamaica appears to be threatened with or affected by the SARS-CoV-2 (Coronavirus COVID-19), and that measures apart from or in addition to those specifically provided for in the Disaster Risk Management Act should be taken promptly:

AND WHEREAS on March 13, 2020, the Prime Minister by Order declared the whole of Jamaica to be a disaster area:

NOW THEREFORE:

In exercise of the powers conferred upon the Prime Minister by section 26(2) of the Disaster Risk Management Act, the following Order is hereby made:—

- Citation. 1. This Order may be cited as the Disaster Risk Management (Enforcement Measures) Order, 2022, and shall take effect on the 14th day of January, 2022.

Enforcement. 2. The measures set out in this Order are directed to be enforced, in accordance with sections 26(5) to (7) and 52 of the Act, for removing or otherwise guarding against or mitigating the threat, or effects, of the SARS – CoV-2 (Coronavirus COVID-19) and the possible consequences thereof.

Requirements for entry to Jamaica. 3.—(1) A person who, during the period from January 14, 2022 to January 27, 2022, seeks to enter Jamaica, shall—

- (a) if the person is ordinarily resident in Jamaica, complete, through the website <https://jamcovid19.moh.gov.jm/>, the relevant application for entry; or
- (b) if the person is not ordinarily resident in Jamaica,
 - (i) complete, through the website <https://www.visitjamaica.com/>, the relevant application for entry; and
 - (ii) comply with all applicable provisions of the Immigration Restriction (Commonwealth Citizens) Act and the Aliens Act.

(2) A Medical Officer (Health), Medical Officer or public health officer shall, in respect of a person who applies under sub-paragraph (1) to enter Jamaica, conduct a health and risk assessment including—

- (a) a temperature check;
- (b) observation for symptoms of the SARS – CoV-2 (Coronavirus COVID-19);
- (c) taking into account whether the occupation of the person creates a heightened risk of exposure to the SARS – CoV-2 (Coronavirus COVID-19); and
- (d) taking into account the countries visited by the person during the period of six weeks immediately before the date of the application and any other relevant health factors,

and determine whether or not the person poses a high risk for the transmission of the SARS – CoV-2 (Coronavirus COVID-19).

(3) During the period from January 14, 2022 to January 27, 2022, each person who enters Jamaica shall be given information about the protocols that the person shall follow in order to minimize the risk of transmission of the SARS – CoV-2 (Coronavirus COVID-19).

(4) Notwithstanding anything in paragraphs 4 to 7, a person permitted to enter Jamaica under any of those paragraphs shall be permitted to leave Jamaica during the period from January 14, 2022 to January 27, 2022.

(5) The provisions of sub-paragraph (2) and paragraphs 4, 5, 6 and 7 shall not apply to airline crew, but a member of airline crew, who is landed in Jamaica, shall for the duration of that member's stay in Jamaica, remain at an abode or place of residence (including the yard).

(6) Subject to sub-paragraph (8), during the period from January 14, 2022 to January 27, 2022, a seafarer who seeks to join or leave a ship, in Jamaica, shall, no later than 48 hours before the intended date of such joining or leaving, submit to the Maritime Authority an application in the form set out as Form A of the First Schedule, including the following information—

Form A,
First
Schedule.

- (a) the name and address of the seafarer;
- (b) the name and port of registry of the ship;
- (c) the location of the ship;
- (d) the Seafarer's Certificate of Competency or Certificate of Proficiency (as the case may be); and
- (e) the name and contact details of the agent responsible for the transport of the seafarer from the ship.

(7) The agent referred to in sub-paragraph (6)(e) shall submit to the Maritime Authority—

- (a) a copy of the COVID-19 Prevention Plan and Procedures for the ship concerned;
- (b) a copy of the temperature logs for the seafarer, in respect of the 14 days immediately preceding the application;
- (c) a completed crew health self-declaration form;
- (d) a declaration signed by the master of the ship concerned, that the COVID-19 Prevention Plan and Procedures for the ship has been followed and that no seafarers have displayed any symptoms while on board; and
- (e) a declaration signed by the agent, that the agent will be responsible for the transportation of the seafarer to the ship and that the agent has complied with the protocols issued by a Medical Officer (Health) in relation to the safe transportation of the seafarer from the ship to the airport.

(8) During the period from January 14, 2022 to January 27, 2022, a seafarer who seeks to join a ship in Jamaica and to enter Jamaica *via* an airport shall, no later than 48 hours before the date of intended entry into Jamaica—

- (a) submit to the Maritime Authority the following information—
 - (i) the name and address of the seafarer;

-
-
- (ii) the name and port of entry of the ship;
 - (iii) the location of the ship;
 - (iv) the relevant employer letter and crew change and travel information sheet;

 - (vii) a completed crew health self-declaration form;
 - (viii) the name and contact details of the agent responsible for the transport of the seafarer from the ship; and
 - (ix) a declaration signed by the agent, that the agent will be responsible for the transportation of the seafarer to the ship and that the agent has complied with the protocols issued by a Medical Officer (Health) in relation to the safe transportation of the seafarer from the airport to the ship; and

- (b) complete through the website <https://www.visitjamaica.com>, the relevant application for entry.

(9) The Maritime Authority shall review each application received under sub-paragraph (6) or (8) and, if it considers appropriate, certify the applicant seafarer as an approved seafarer.

(10) A seafarer approved pursuant to sub-paragraph (9) as an approved seafarer—

- (a) shall not be required to undergo a health and risk assessment under this paragraph; and
- (b) shall comply with the provisions of paragraphs 9 to 12 while in Jamaica.

(11) A person who arrives in Jamaica on a cruise ship (whether as crew or a passenger) and who disembarks in Jamaica during the period from January 14, 2022 to January 27, 2022, shall while disembarked—

- (a) comply with all applicable directions given, and requirements imposed, by an authorized officer;
- (b) comply with the provisions of paragraphs 9 to 12;
- (c) only travel on transportation licensed under the Tourist Board Act; and

Appendix to
Form C, First
Schedule.

(d) for the duration of the visit to any attraction referred to in Appendix to Form C of the First Schedule—

- (i) comply with all applicable provisions of paragraph 14(22); and
- (ii) remain with the family or group with which that person travelled to the attraction.

(12) In—

- (a) this paragraph and paragraphs 4, 5, 6 and 7, “ordinarily resident in Jamaica” means resident in Jamaica for a continuous period of not less than six months in a calendar year;
- (b) this paragraph, “agent”, “master”, “seafarer” and “ship” have the meaning assigned to them by the Shipping Act;
- (c) this paragraph, “Maritime Authority” means the Maritime Authority established under section 6 of the Shipping Act.

Procedure for
entry of
person
ordinarily
resident in
Jamaica.

4.—(1) A person seeking to enter Jamaica at any time during the period from January 14, 2022 to January 27, 2022, who is ordinarily resident in Jamaica shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure a negative COVID-19 test, in respect of that person—

- (a) in accordance with the specifications of the Ministry with responsibility for health and wellness; and
- (b) taken no earlier than three days prior to the date of departure for Jamaica.

(2) A person to whom any of the requirements of this paragraph applies shall—

- (a) comply with all applicable directions given, and requirements imposed, by an authorized officer;
- (b) comply with the provisions of paragraphs 9 to 12 and with all applicable directions given, and requirements imposed, in respect thereof by an authorized officer; and

when in any
public place.
Fourth
Schedule.

12. The following directions are given to all persons in any public place—

- (a) subject to the exceptions listed in the Fourth Schedule, and except as otherwise provided in this Order, gatherings in any public place during the period from January 14, 2022 to January 27, 2022, shall not exceed 10 persons at a time;
- (b) each person at a gathering in a public place shall maintain a distance of at least 182.88 centimetres (or 6 feet) from other persons (“social distancing”); and
- (c) when in a public place (which, for the avoidance of doubt, includes a workplace and a licensed public passenger vehicle), each person shall wear a mask fitted to that person’s face so as to cover that person’s nose and mouth.

Restrictions
applicable to
hospitals,
nursing
homes and
infirmaries.

13.—(1) During the period from January 14, 2022 to January 27, 2022, the operator of a hospital or nursing home is directed to ensure that no person visits a patient in the hospital or resident of the nursing home, more than once per day, and that each such patient or resident does not have more than one visitor per day.

(2) During the period from January 14, 2022 to January 27, 2022, the operator of an infirmary is directed to ensure that no resident of the infirmary is permitted to go outside the infirmary.

(3) During the period from January 14, 2022 to January 27, 2022, no new resident shall be admitted to an infirmary.

(4) An employee of a hospital, nursing home or infirmary is directed, immediately on becoming aware that he or she has, or may have, been exposed to the SARS – CoV-2 (Coronavirus COVID-19) outside of that hospital, nursing home or infirmary (as the case may be)—

- (a) to report the matter to the employer, and to the Ministry with responsibility for health and wellness (at 888-ONE-LOVE (888-663-5683), 888-754-7792, 876-542-5998, 876-542-6007, or 876-542-6006); and
- (b) to remain at the person's abode or place of residence unless otherwise authorised by a Medical Officer (Health), a Medical Officer or a nurse registered under the Nurses and Midwives Act.

Restrictions
applicable to
businesses.

14.—(1) The provisions of this paragraph have effect without prejudice to the provisions of any other law applicable to the operations of any business.

(2) During the period from January 14, 2022 to January 27, 2022—

- (a) markets shall operate, and vending in public arcades and public transportation centres shall take place, only during the hours from 6:00 am to 9:00 pm, Mondays to Saturdays; and
- (b) on Sundays, all markets shall remain closed, and no vending shall take place in public arcades and public transportation centres.

(3) During the period from January 14, 2022 to January 27, 2022, no more than 10 persons at a time shall be permitted to be in any one area of a barber shop or hair salon, and no more than 2 of those persons shall be clients waiting to be served in that area.

(4) During the period from January 14, 2022 to January 27, 2022, all public transportation for which a licence is required under the Transport Authority Act shall operate only between 4:00 am and 11:00 pm, except that no passengers shall be in any such transportation between—

- (a) 4:00 am and 5:00 am; and
- (b) between 10:00 pm and 11:00 pm;

and the driver of the transportation is directed to ensure that the provisions of this sub-paragraph and sub-paragraph (5) are complied with in respect of the transportation.

(5) During the period referred to in sub-paragraph (4), the provision of such public transportation—

- (a) by—
 - (i) motor car, shall be with all windows open and the air conditioning turned off, and shall be limited to one person less than the maximum number of persons allowed to be carried under the relevant licence; or

-
-

 - (ii) where there is access to proper sanitary conveniences; and
 - (iii) conducive to appropriate security measures;
- (e) the organizer of such a sporting event is directed to ensure compliance with the following requirements, at the sporting event and all training sessions therefor—
 - (i) between each sporting event sufficient time shall be allowed to ensure the maintenance of the social distancing requirements of paragraph 12(b) and for the venue and equipment to be sanitized;
 - (ii) all areas for competition and training shall be properly cleaned and all gear and equipment sanitized before the beginning of each session and after each user;
 - (iii) no spectator shall be allowed at the sporting event or training session;

-
-
- (iv) temperature checks of all athletes, coaches and officials shall be made and documented;
 - (v) each person at the event or training session shall wear a mask fitted to the person's face so as to cover the person's nose and mouth, except when participating in any strenuous activity or water activity, and the person shall change the mask at least every four hours or upon the mask becoming wet;
 - (vi) there shall be no unnecessary contact between persons (such as hugging, high-fives or touching) and personal items such as water bottles or towels shall not be shared;
 - (vii) all promotion for the event shall contain reference to the COVID-19 protocols applicable thereto, including specific reference to the requirements for temperature checks, the wearing of masks, sanitization and social distancing;
 - (viii) signage specifying the applicable COVID-19 protocols, including handwashing procedures and social distancing requirements, shall be conspicuously placed throughout the venue and the training areas for the sporting event;
 - (ix) the points of entry to the venue shall be separate from the points of exit;
 - (x) restrooms shall be cleaned and sanitized at least once every hour; and
 - (xi) audible public announcements urging compliance with the requirements of this sub-paragraph shall be made at least every fifteen minutes.

(24) Notwithstanding the other provisions of this paragraph, no business referred to in this paragraph shall operate during the hours when persons are required to remain at an abode or place of residence under paragraph 10, except that—

- (a) where a person is permitted under the Third Schedule to leave the person's abode or place of residence, during those hours, in connection with a purpose referenced in the Third Schedule, the business concerned may open accordingly; and
- (b) in relation to the business of financial institutions, factories, funeral homes, mortuaries, and businesses providing food, electricity, water, telecommunications, or courier services, those businesses shall not

during those hours serve any customers at the location of the business, unless specifically authorised to do so by this Order or by an authorized officer.

(25) For the purposes of sub-paragraph (24)(b), businesses providing food, and registered on the E-Commerce National Delivery Solution (ENDS), may serve any of the following persons at the location of the business during the hours referred to in sub-paragraph (24)—

- (a) a member of any police force;
- (b) a member of the Jamaica Defence Force;
- (c) a member of the Jamaica Fire Brigade;
- (d) a doctor, nurse, public health officer, pharmacist, or any other person employed to a hospital or engaged, by the Ministry with responsibility for health, in the SARS – CoV-2 (Coronavirus COVID-19) vaccination process.

(26) The following may operate during the hours when persons are required to remain at an abode or place of residence under paragraph 10—

- (a) any air transport service or aircraft, as those terms are defined in the Civil Aviation Act, that has a licence or permit under the Civil Aviation Act; and
- (b) any aircraft that is otherwise authorised to land, by an air traffic controller.

(27) For the avoidance of doubt, in the event that there is any inconsistency between a requirement included in any guidelines or other document referred to in this paragraph or paragraph 17(5)(n), and any provisions of this Order, the provisions of this Order shall prevail.

Operation of
educational
institutions.

15.—(1) Subject to sub-paragraph (2), during the period from January 14, 2022 to January 27, 2022, every educational institution, as defined in the Education Act, shall operate with a blended approach that includes face-to-face instruction, instruction delivered using electronic means of communication, and modalities of audio-visual learning and learning kits, in accordance with the guidelines.

(2) The operation of face-to-face instruction at a primary or secondary school (whether the school is a public educational institution or an independent school, as those terms are defined in the Education Act) shall be subject to approval from a Medical Officer (Health) and the ministry with responsibility for education.

(3) In this paragraph, “the guidelines” means the guidelines entitled “Education in Emergencies—A Manual for the Re-opening of Educational

Institutions” issued by the Ministry of Education, Youth and Information, dated May 26, 2020, as updated from time to time.

Workplace
requirements.

16.—(1) All employers shall implement arrangements that provide for their employees to work staggered working hours, or to work from home, during the period from January 14, 2022 to January 27, 2022, where—

- (a) such arrangements are necessary to minimise the spread of the SARS – CoV-2 (Coronavirus COVID-19); or
- (b) the area of work is not sufficient to allow for social distancing as required under this paragraph.

(2) Notwithstanding sub-paragraph (1), during the period from January 14, 2022 to January 27, 2022, an employer that is a public entity (as defined in the Public Bodies Management and Accountability Act)—

- (a) shall permit each employee, who is able to carry out that employee’s duties from home, to work from home; and
- (b) has a duty to permit that employee to work from home without imposing on the employee any adverse consequences in respect thereof,

but this sub-paragraph does not apply in respect of employees whose duties are required to be discharged in person at the physical location of their workplace or whose duties involve the delivery of services that are critical to the workplace.

(3) During the period from January 14, 2022 to January 27, 2022, any of the following employees may request the employer’s permission to work from home—

- (a) an employee—
 - (i) who is immunocompromised with underlying illnesses that are not under control, thereby rendering the employee unable to safely work in an environment in gatherings or other conditions that put that employee at heightened risk during a pandemic; and
 - (ii) who presents the employer with a medical certificate as to the matters set out in sub-paragraph (i);
- (b) an employee who has no suitable arrangements available to care for a child of that employee;
- (c) an employee who has no suitable arrangements available to care for an elderly or ill family member, or a family member who is a “person with a disability” (as defined in the Disabilities Act),

and an employer who grants such an employee permission to work from home shall do so without imposing any adverse consequences to the employee, in respect thereof.

(4) During the period from January 14, 2022 to January 27, 2022, the employer shall not require to attend for work at the workplace any employee—

- (a) who has attained the age of 60 years or more; and
- (b) who—
 - (i) has not been fully vaccinated against the SARS – CoV-2 (Coronavirus COVID-19); or
 - (ii) has received the dose of the vaccination required for the person to be medically considered as fully vaccinated against the SARS – CoV-2 (Coronavirus COVID-19) but fourteen days have not elapsed since the employee received that dose,

and such an employee may work from home if agreed to between the employee and employer.

(5) During the period from January 14, 2022 to January 27, 2022, the employer shall not require to attend for work at the workplace any employee who exhibits flu-like symptoms or respiratory symptoms, and has a duty, if the employee does attend for work, to send the employee home and to report the matter to the Ministry responsible for health and wellness (at 888-ONE-LOVE (888-663-5683), 888-754-7792, 876-542-5998, 876-542-6007, or 876-542-6006).

(6) The grant of permission to an employee under sub-paragraph (1), (2) or (3), or a requirement in respect of an employee under sub-paragraph (4) or (5), shall not count against the leave entitlements of that employee, unless otherwise agreed between the employer and employee.

(7) An employer shall—

- (a) provide sufficient number of areas, at the workplace, where any person who is an employee or customer of the employer, or any other visitor to the workplace, is able to readily access facilities for washing or otherwise sanitizing, that person's hands;
- (b) as far as is reasonably practicable, during the period from January 14, 2022 to January 27, 2022, ensure that all employees, customers, visitors and staff at the business maintain social distancing of no less than 182.88 centimetres (or 6 feet) from each other;

-
-
- (c) as far as is reasonably practicable, during the period from January 14, 2022 to January 27, 2022, ensure that markers are placed at the workplace, at a distance of no less than 182.88 centimetres (or 6 feet) apart, indicating where each customer shall stand while waiting to be admitted or served;
 - (d) ensure that effective ventilations systems are in operation at the workplace;
 - (e) ensure that the guidance set out in the document entitled “Environmental Health Interim Guidelines and Procedures for the Re-opening of Public Facilities/Spaces for COVID-19”, issued by the Ministry of Health and Wellness, dated May, 2020, is adhered to;
 - (f) ensure that hand washing stations, or hand sanitizing equipment, are placed and maintained at the entrance of the business premises and at the entrance to every lunch room and every recreation area at the premises, so that persons entering have the opportunity to wash or sanitize their hands before entering the premises, lunch area or recreation area (as the case may be);
 - (g) its employees are directed to wash or sanitize their hands before entering the business premises and before and after every lunch break and recreation break;
 - (h) all employee workstations and all equipment on the business premises are sanitized before each work shift;
 - (i) temperature checks are conducted on each employee upon the arrival of the employee for work or at the beginning of that employee’s shift; and
 - (j) an isolation area is established for the temporary holding of a person who becomes symptomatic while on the business premises.

Fourth
Schedule.

(8) The requirements of sub-paragraph (7)(b) shall not apply in respect of any service or employment specified in item 1, 2, 3, 4, 7, 8, 9, 12, 13, 14, 15, 16 or 17 of the Fourth Schedule.

(9) For the avoidance of doubt, paragraph 12(c) (requirement to wear masks) applies to all persons at workplaces.

(10) An employer shall permit an employee to be absent from work during working hours for such time as is sufficient for the employee to be vaccinated against the SARS – CoV-2 (Coronavirus COVID-19), and shall do so without imposing any adverse consequences to the employee, in respect thereof.

Provisions
applicable to
business
processing
outsourcing
sector.
Form 2,
Fifth
Schedule.

17.—(1) The provisions of this paragraph apply during the period from January 14, 2022 to January 27, 2022.

(2) Subject to sub-paragraph (3), a business in the business processing outsourcing sector shall be certified for operation if, after conducting an inspection of the premises the Director-General certifies in writing in the Form set out as Form 2 of the Fifth Schedule that the business is so certified.

(3) The Director-General shall not clear any business for operation under this paragraph unless the Director-General is satisfied, after consultation with a Medical Officer (Health), that the criteria set out in sub-paragraph (6) will be complied with by the business.

(4) The provisions of sub-paragraphs (5) to (7) shall apply to all businesses in the business processing outsourcing sector.

(5) The operator of a business to which this paragraph applies shall ensure that—

- (a) hand washing stations, or hand sanitizing equipment, are placed and maintained at the entrance of the business premises and at the entrance to every lunch room and every recreation area at the premises, so that persons entering have the opportunity to wash or sanitize their hands before entering the premises, lunch area or recreation area (as the case may be);
- (b) its employees are directed to wash or sanitize their hands before entering the business premises and before and after every lunch break and recreation break;
- (c) all employee workstations and all equipment on the business premises are sanitized before each work shift;
- (d) each employee is provided with a headset for the use only by that employee;
- (e) temperature checks are conducted on each employee upon the arrival of the employee for work or at the beginning of that employee's shift;
- (f) physical distance markers are placed at least 182.88 centimetres (or 6 feet) apart, so as to manage distancing of persons at entry queues to the business premises;
- (g) an isolation area is established for the temporary holding of a person who becomes symptomatic while on the business premises;
- (h) every employee wears a mask fitted so as to cover the nose and mouth of that employee, while in the business operation areas of the premises;

- (i) the employees coming off a work shift exit the business premises before the employees starting the next work shift enter, or queue to enter, the business premises;
- (j) employees with flu-like symptoms or respiratory symptoms are not permitted to go to work or, if already at work, are not permitted to remain at work, and that the Ministry responsible for health and wellness is informed of the employees that have those symptoms;
- (k) immediately on the operator becoming aware that a person at the business premises has tested positive for the SARS – CoV-2 (Coronavirus COVID-19), the business premises are closed and the Ministry with responsibility for health and wellness informed of the closure and that the person has tested positive, indicating any information that the operator may have that the person was in contact with another person who tested positive for the SARS – CoV-2 (Coronavirus COVID-19);
- (l) where the business is closed pursuant to sub-paragraph (k), the business does not re-open until the premises are sanitized and the Ministry with responsibility for health and wellness approves in writing the re-opening;
- (m) the name of every employee who fails to comply with the requirements of this paragraph, together with the residential address where that employee can be located and that employee's telephone number, is reported to the Ministry with responsibility for health and wellness and suspended from work at the business; and
- (n) the guidelines set out in the document entitled "Environmental Health Guidelines and Procedures for Global Services Sector (GSS)/ Business Process Outsourcing (BPO) Revised Guidance for COVID-19" issued by the Ministry with responsibility for Health and Wellness, dated May 8, 2020, are complied with.

(6) An operator of a business to which this paragraph applies shall furnish a report weekly to the Director-General, specifying whether the operator is in compliance with the provisions of this paragraph.

(7) The Director-General shall forward a copy of each report furnished under sub-paragraph (6) to a Medical Officer (Health), who shall take any appropriate action that may be required.

Funeral
services and
burials.

18.—(1) During the period from January 14, 2022 to January 27, 2022, funeral processions and burial processions shall consist only of—

- (a) the hearse; and
- (b) vehicles transporting mourners, officiating clergy, and other funeral officials, to the burial site.

(2) During the period from January 14, 2022 to January 27, 2022, the following shall apply to funeral services and burials—

- (a) no more than 20 persons at a time shall be permitted to be in physical attendance at a funeral service (no more than 15 of whom shall be persons attending as mourners);
- (b) no more than 20 persons at a time shall be permitted to be in physical attendance at a burial site (no more than 15 of whom shall be persons attending as mourners);
- (c) burials may only be conducted on Mondays through Fridays, between the hours of 9:00 am and 5:00 pm;
- (d) no burials shall be conducted on Saturdays or Sundays;
- (e) the time for conducting a burial shall not be longer than 30 minutes; and
- (f) for the avoidance of doubt, the provisions of paragraphs 12(b) and (c) (social distancing and wearing of masks) apply to gatherings at burial sites.

(3) Nothing in sub-paragraph (2)(b) shall be construed as authorising any burial to be conducted during hours when persons are required to remain at an abode or place of residence under paragraph 10.

(4) Notwithstanding sub-paragraph (2), the Director-General, may, on any application therefor, grant permission for a burial to take place on a Saturday if satisfied that there is an occurrence, or threat of the occurrence, of a storm, hurricane or flood, which affects or is likely to affect the ability to conduct the burial on a day allowed under sub-paragraph (2).

Services at
places of
worship.

19.—(1) During the period from January 14, 2022 to January 27, 2022, no gatherings at places of worship (which shall be construed as meaning churches or other official places of worship however described) shall be permitted during hours when persons are required to remain at an abode or place of residence under paragraph 10, and the chief officiating clergy or person conducting the worship is directed to ensure compliance with the following provisions—

- (a) no more than 100 persons shall be physically present at any time at the place of worship;
- (b) paragraph 12(b) and (c) (physical distancing and wearing of masks);
- (c) the temperature of each person seeking entry onto the premises of the place of worship shall be checked, and no person whose temperature when so checked gives rise to a suspicion that the person is ill shall be permitted entry;

- (d) hand washing, or hand sanitization, facilities shall be provided at each entrance to the place of worship, and each person seeking entry shall wash or sanitize that person's hands upon entry;
- (e) entrance to and exit from the place of worship shall be controlled so that—
 - (i) a physical distance of at least 182.88 centimetres (or 6 feet) is maintained in respect of each person; and
 - (ii) no physical contact (such as hugs or handshakes) occurs between persons;
- (f) choir gatherings and performances shall not be permitted at the place of worship; and
- (g) a person who becomes ill, or exhibits flu-like or respiratory symptoms, while at the place of worship shall not be permitted to remain at the place of worship.

(2) Sub-paragraph (1) shall not apply to gatherings for marriage ceremonies (in which case, paragraph 20 applies).

(3) During the period from January 14, 2022 to January 27, 2022, no crusades, conferences or conventions shall be held.

Marriage
ceremonies.

20. During the period from January 14, 2022 to January 27, 2022—

- (a) no more than 100 persons shall be permitted to be in physical attendance at any marriage ceremony; and
- (b) for the avoidance of doubt, the provisions of paragraph 12(b) and (c) (physical distancing and wearing of masks) apply at any such marriage ceremony;

and the officiating clergy or person conducting the ceremony is directed to ensure that the provisions of this paragraph are complied with.

Events.

21.—(1) During the period from January 14, 2022 to January 27, 2022, no small outdoor events (such as concerts, parties, round robins, community events, corporate mixers, and festivals) shall be held.

(2) During the period from January 14, 2022 to January 27, 2022, no small indoor events (such as concerts, parties, round robins, community events, corporate mixers, and festivals) shall be held.

(3) During the period from January 14, 2022 to January 27, 2022, no large events shall be held.

(4) For the purposes of sub-paragraph (3), an event is a large event if the number of persons who are, or will be, in physical attendance exceeds 100 persons.

FIRST SCHEDULE, *contd.*THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES)
ORDER 2022, PARAGRAPH 4 AND PARAGRAPH 7
HOME QUARANTINE ORDER

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING
TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION
AND CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS – CoV-2
--

You have, or might have, been exposed to the SARS-CoV-2, virus that causes COVID-19, through travel or contact. Infection by the SARS-CoV-2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. Symptoms may appear anywhere from two (2) to fourteen (14) days after exposure to the SARS-CoV-2. People may be able to transmit infection beginning one day before they develop symptoms to up to 7 days after they get sick. The SARS-CoV-2, virus is transmitted by spread most often by respiratory droplets from an infected person. If SARS-CoV-2, virus spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) ORDER, 2022, the Medical Officer (Health), Medical Officer or public health officer has determined that:

As a result of your possible exposure to the SARS-CoV-2, virus in accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) ORDER, 2022, the following public health control measures detailed below are being implemented. These measures include contact with the _____ Health Department at least twice daily to monitor for signs and symptoms of COVID-19, for the applicable number of days of quarantine following the date of arrival into the country, as described in the Requirements section below. Based on assessment, you may be required to do a COVID-19 Test. All persons who test positive OR become symptomatic are placed in isolation.

FIRST SCHEDULE, *contd.***REQUIREMENTS****Fully Vaccinated Travellers**

If you are Fully Vaccinated against COVID-19 (that is, you have received both doses of a vaccine required to be administered in two doses or one dose of a vaccine required to be administered as a single dose AND at least 14 days have passed since you received your last dose of the vaccine), you must **comply with these control measures** for *8 days following the date of landing in Jamaica.*

*(For example, if you land on January 1st, **Day 1** of quarantine is January 2nd, and **Day 8** is January 9th. Your quarantine would end on January 10th.)*

However, if you are fully vaccinated, you have the option to do a Reverse Transcription Polymerase Chain Reaction Test (RT-PCR) for COVID-19 at your own expense either within 72 hours prior to travelling to Jamaica or following your arrival in Jamaica at an approved testing laboratory (see <https://www.visitjamaica.com/travelauthorization/testing-labs/> for a list of approved laboratories). If you conduct your RT-PCR test prior to arrival in Jamaica and your test result is negative, you will not be subject to quarantine on arrival. If you conduct your RT-PCR test after arrival in Jamaica and your test result is negative, your quarantine period will end on receipt of your result. If your test result shows that you are COVID-19 positive, you must immediately notify the _____ Health Department and isolate yourself from other persons in accordance with the isolation protocols of the Ministry with responsibility for health.

Non-Fully Vaccinated Travellers

If you are NOT Fully Vaccinated against COVID-19 (that is, you have NOT received both doses of a vaccine required to be administered in two doses or one dose of a vaccine required to be administered as a single dose AND at least 14 days have passed since you received your last dose of the vaccine), you must **comply with these control measures** for *14 days following the date of landing in Jamaica.*

*(For example, if you land on January 1st, **Day 1** of quarantine is January 2nd, and **Day 14** is January 15th. Your quarantine would end on January 16th.)*

During the period of quarantine, you are required to:

- Remain at (insert address) unless specifically authorized to leave by the Medical Officer (Health).
- Isolate yourself from others immediately if any symptoms develop and call the _____ Health Department at () - .
- Record your temperature and symptoms every 12 hours using the App on your phone (or on the relevant form downloadable from <https://jamcovid19.moh.gov.jm/form B>).

FIRST SCHEDULE, *contd.*FORM B, *contd.*

- Be available for an in-person visit once per day by a health care worker.
- Report your temperature and symptoms a minimum of 2 time(s) per day to the Health Department nurse by phone.
- Keep a record of all visitors to your home and public places you visit if permitted by the Medical Officer (Health) using the App on your phone, or the form provided.
- Maintain a 6-feet (1m) distance from others.
- NOT take any form of public transportation (*e.g.* aircrafts, buses, taxi, car-pooling, *etc.*).
- NOT go to public places (*e.g.* shopping centers, movie theatres, market, church) or public gatherings.
- NOT go to your workplace (working from home is permitted).

Notwithstanding the requirements detailed above, the Medical Officer (Health) may impose new or different requirements if the Medical Officer (Health) is of the opinion that circumstances have changed to necessitate the imposition of new or different requirements.

If you **fail to comply with these control measures, you commit an offence under Section 52 of the Disaster Risk Management Act** and shall be liable on summary conviction before a Judge of a Parish Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months.

The staff of this Health Department remains available to provide assistance and counselling to you concerning your possible exposure to SARS – CoV-2 and compliance with these control measures. Please refer to Health Alert Card (<https://jamcovid19.moh.gov.jm/HAC>) for accessing the public health system.

ORDER, 2022, PARAGRAPH 5**STAY IN RESILIENT CORRIDOR OR SPECIFIED PLACE**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING
TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND
CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS – CoV-2
--

You have, or might have, been exposed to the SARS – CoV-2, virus that causes COVID-19, through travel or contact. Infection by the SARS – CoV-2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. If SARS – CoV-2 spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) ORDER, 2022, the Medical Officer (Health), Medical Officer or public health officer has determined that:

☐ You pose a high risk for the transmission of SARS – CoV-2 (Coronavirus COVID-19) and the Medical Officer (Health), Medical Officer or public health officer has determined that you are required to remain in the hotel property (or properties) stated below for the duration of your stay except as provided under paragraph 5(6), leave that abode or place of residence to visit any place certified by the Tourism Product Development Company Limited to be COVID-19 Resilient and located within the area of any part of the Resilient Corridor, or that is listed in the Appendix hereto. You are required to report symptoms to the health desk in your hotel or to the health department and based on assessment, you may be required to be tested for COVID-19.

Hotel(s): _____

However, if you are fully vaccinated against COVID-19 (that is, you have received both doses of a vaccine required to be administered in two doses or one dose of a vaccine required to be administered as a single dose AND at least 14 days have passed since you received your last dose of the vaccine), you have the option to

do a Reverse Transcription Polymerase Chain Reaction Test (RT-PCR) for COVID-19 at your own expense either within 72 hours prior to travelling to Jamaica or following your arrival in Jamaica at an approved testing laboratory (see <https://www.visitjamaica.com/travelauthorization/testing-labs/> for a list of approved laboratories).

If you conduct your RT-PCR test prior to arrival in Jamaica and your test result is negative, you will not be subject to the requirements to remain in the hotel property (or properties) stated above or to remain within the Resilient Corridor for the duration of your stay. If you conduct your RT-PCR test after arrival in Jamaica and your test result is negative, the requirements to remain in the hotel property (or properties) stated above and to remain within the Resilient Corridor for the duration of your stay will end on receipt of your result. If your test result shows that you are COVID-19 positive, you must immediately notify the _____ Health Department and isolate yourself from other persons in accordance with the isolation protocols of the Ministry with responsibility for health.

All persons who test positive OR become symptomatic are placed in isolation.

Notwithstanding the requirements detailed above, the Medical Officer (Health) may impose new or different requirements if the Medical Officer (Health) is of the opinion that circumstances have changed to necessitate the imposition of new or different requirements.

If you fail to comply with these control measures, you commit an offence under section 52 of the Disaster Risk Management Act and shall be liable on summary conviction before a Judge of a Parish Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months.

The staff of this Health Department remains available to provide assistance and counselling to you concerning your possible exposure to SARS – CoV-2 and compliance with these control measures. Please refer to Health Alert Card (<https://jamcovid19.moh.gov.jm/HAC>) for accessing the public health system.
